... built to eliminate the cares!

On the road or at your favorite hideaway, Invader lets you escape the cares of daily routine but not the comforts of home.

From the compact Model 18 to the luxurious new Model 30, 5th Wheel, every Invader offers imaginative design for maximum livability; outstanding quality for maximum reliability.

See Invader's exciting new interiors. Check the extra-strong, unitized construction. Consider the unparalleled factory warranty and service followup program. And you'll agree... Invader by Golden West is your best strategy for conquering care.

UNCOMPROMISING INSPECTION AND STRICT QUALITY CONTROL ASSURE CAREFREE PERFORMANCE FROM EVERY INVADER

Escape from care with Golden Touch... the industry's outstanding warranty and service follow-up program

WARRANTY

Invader quality is warranteed against factory defects (except for tires and appliances which carry separate warranties) for one (1) full year.

But Invader goes even further. To make sure your unit performs the way you have a right to expect, Invader and a coast to coast network of authorized dealers assure your complete satisfaction with the industry's most unique, consumer-oriented . . .

SERVICE PROGRAM

Factory required, after-sale inspection, with quaranteed correction of any noted deficiencies **before the unit leaves the dealer's sales lot,** is just one step in Invader's three-way inspection program that is your assurance of lasting reliability.

As a condition of your warranty, you should return your Invader to the dealer from whom you bought it for a **sixty day checkup.** He will correct any troubles you may report and thoroughly inspect the unit to uncover and correct any other condition that might cause future problems.

Invader requires written certification by the dealer, (countersigned by you) upon completion of prescribed service. It's one more way that our care keeps you traveling carefree.
